## tanya de villiers

### director

**Professional Landscape Architect  
B L.Arch (University of Pretoria, Honors for Design)**

Tanya grew up in Northern Natal. She completed her studies at Pretoria University and joined CNdV africa in 1999 as a director in charge of landscape architecture.

She is past chairperson of the ILASA (Institute of Landscape Architects of South Africa) – Cape, served on the SACLAP (South African Council of the Landscape Architectural Profession), lectured at Peninsula Technikon and is an occasional guest lecturer and external examiner at UCT and UP.

Tanya has won numerous prestigious awards in the field of landscape architecture.

Many of these projects have been featured in publications, locally and internationally, including the World Landscape Design Top 50 Projects and numerous Braun publications.

With more than twenty years' experience in the field of landscape architecture, Tanya has a thorough knowledge of working as part of an interdisciplinary team and is able to take responsibility for the design and co-ordination of a large variety of projects.

## herman de lange

### director

**Professional Landscape Architect**  
**B L.Arch (University of Pretoria)**

Herman joined CNdV africa in 2012. He graduated from the University of Pretoria in 2001. With more than 14 years professional experience in landscape architecture, Herman has an excellent knowledge of the full spectrum of responsibilities from concept development through design and tender processes to project coordination.

From 2001 to 2011 Herman worked at Uys & White Landscape Architects in KwaZulu Natal and was involved in numerous local and international projects such as the King George V Hospital in Durban and the Mbombela Multi-purpose Sport Stadium in Mbombela, Mpumalanga.

In 2011 Herman relocated to Cape Town and worked as a Senior Landscape Architect at Viridian Consulting Landscape Architects and Environmental Planners.

Herman has served on the ILASA (Institute for Landscape Architecture in South Africa) National Executive Committee (2008-2013), was the Secretary for IFLA (International Federation of Landscape Architects) - Africa (2012-2013), was a Local Organising Committee Member for the 2012 IFLA Congress and is past President of ILASA (2011-2013).

Herman is also an occasional guest lecturer at the University of Cape Town.

## **mohammed chohan**

### **senior technician**

Mohammed joined CNdV in 2014. He has over 10 years experience working as an architectural draughtman in Durban. Having worked at T.D.S and Uys & White in Ballito, he was involved in numerous local and international projects. Mohammed is SACAP, SAID and ILASA registered, and is responsible for doing presentations, CAD drawings and general technical back-up.

## **sinikiwe "juju" jujuju**

### **landscape technologist**

Juju joined the firm in 2011. He completed a diploma in Multidisciplinary Draughting Office Practice at the College of Cape Town. He gained experience working for Arcus Gibb Engineering as a multidisciplinary draughtsman as well as completing some free lance projects. Juju is responsible for doing presentations, CAD and general technical back-up. Juju is currently studying Landscape Technology at CPUT, funded by CNdV.

## **ikraam arendse**

### **cad technician / landscape technician**

Ikraam joined the firm in 2013. He gained experience working for Mike Hurworth & Associates Engineers as a structural draughtsman as well as completing some free lance projects. Ikraam is responsible for CAD drawings, 3D work and general technical back-up.

## **celina fernandes**

### **financial- & office manager**

Celina joined CNdV in 2014. She has a diploma in bookkeeping as well as interior design. Celina specialises in integrating creative- and financial processes as well as implementing office management systems. She has extensive experience in the architectural-, advertising-, interior design- and insurance sectors and has worked in the UK, Italy and South Africa.
